Stoppage of Oil Exploration work in Nagaland

1252. SHRI S. S. AHLUWALIA: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether it is a fact that the work relating to exploration and production of crude petroleum oil in Nagaland has been lying stopped due to the agitationby a section of the State's student agitationists;

(b) since when it has been lying stopped, and what is the quantum of loss the same has been causing both in terms of quantity of crude production and in terms of value thereof;

(c) what are the details of the demads made, if any, by the agitationists; and

(d) details of steps taken or proposed to be taken by Government to resolve the issue?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPT. SATISH SHARMA): (a) to (d) ONGC's exploration activities were affected since 23-4-94 when the Naga Students Federation demanded that ONGC stop its activities in Nagaland and the licences/permits provided by the State Government to ONGC be revoked. They were demanding that the system of royalty be worked out again and made more beneficial to Naga people. The production activities were suspended from 11-5-1994 following directions received from the Government of Nagaland to that effect.

There is a loss of 250 tonnes of crude oil per day resulting in a revenue loss of Rs. 7.92 lakhs per day.

The atter has been taken up with the State Government of Nagaland and the Union Home Ministry to permit ONGC to restart operations.
